

Parking

To serve our neighbours, please avoid parking on Rathfern Road, Pattenden Road, Creeland Grove and Catford Hill. This is a busy residential area, so please make sure you aren't blocking driveways and garages or parking too near to junctions.

The roads highlighted in green are within a few minutes' walk and have more space for parking.

During the week, Rathfern is a school street with no access at school times, and there are restrictions on the single yellow lines on Catford Hill until 6.30pm.

Buses stopping nearby are the 75, 181 and 202. Our nearest stations are Catford and Catford Bridge, which are both about a ten-minute walk away.

If possible, please park on these roads.
