

Dear Parents/Carers

Happy New Year!

We do hope that you have enjoyed Christmas and found time for fun, rest and joy! It was a lovely lead up to Christmas at King's and was great to have so many children involved with the singing and nativity (particularly at our Family Christmas Service). They are such a blessing.

### Spring Term

Before we know it, January is here again and back to the usual routine. The exciting news is that the kids' teams are really looking forward to this term and sharing the good news of Jesus with them. Starting on 4 January we will be looking at the Gospel stories and the life of Jesus. We are excited to be exploring the person of Jesus with your children.

Each week we will continue to send home the Family God Times which always has the QR code for that week's story. Please do take time to look at it together and discuss the question shared.

We hope to see you during the 21 days of prayer and particularly on Thursday evenings which will be our site prayer meeting.

If you are looking for some helpful resources, check out **The Hope Filled Family** on [Instagram](#) or their [website](#). They have great book reviews, recommended bibles and generally are a great resource for families.

Remember you can find out more information on the [King's website](#) about what we are covering this term as well as some of the Family God Times.

We thought it was fitting to end this termly letter with the memory verse for this term.

*May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit. **Romans 15 v 13***
