

APRIL NEWSLETTER

Dear Parents/Carers

We do hope that you have enjoyed the Easter weekend and hope that you managed to find some quality family time together.

SUMMER TERM

Can you believe that we are entering the summer term? Where has the time gone?

The first half of the term, we are looking at the early church after Jesus returned to heaven and how the coming of the Holy Spirit strengthened and encouraged the church. After the half term break, we will be looking at Genesis, starting with creation and leading us all the way up to Exodus and the life of Moses.

You may remember that when we can, we like to follow the adult teaching series but this term we wanted to make sure that we were still covering key bible stories and so have decided to do that for the summer term.

Each week we will continue to send home the Family God Times which always has the QR code for that week's story. Please do take time to look at it together and discuss the question shared.

RESOURCES

God's Big Promises Bible Story Book

We use this bible on Sundays. If you would like to get a copy for your child, it is easily available online.

HOPE FILLED FAMILY

The Hope filled family is an excellent website which recommends loads of great resources but also you can sign up to a weekly newsletter where you can win a selection of books for your kids as well as being encouraged. There is also a large data base of book reviews of christian books, so I would definitely recommend checking it out. [Christian Family Faith Resources & Devotionals | Hope-Filled Family](#)
