

Prayer update – March 2019

“Unless the Lord builds the house, the labourers labour in vain.” Psalm 127:1

Firstly, we want to say a massive thank you to all of you who have supported the launch of TLG at King's so far. We as a team have very much appreciated all of your encouragement and particularly your prayers. Your prayers make ALL the difference and we couldn't operate without them!

This is the second of our prayer letters and to keep you updated, we will aim to distribute one of these each term.

We are now into our second term in our first school having launched after the October half term 2018. Time has flown and already we are starting to see promising signs of change in the lives of the children we are coaching. God is definitely at work.

WE GIVE THANKS FOR:

- A great reception in our partner school – staff have been welcoming and seem to appreciate our presence in school.
- A recent meeting with the SENCO in which she expressed their gratitude for the difference that the 1:1 coaching is making in the lives of these children, in terms of behaviour in class and improved happiness.
- The good rapport that has been built between our five coaches and their respective children.
- For our coaches who are so diligent in turning up each week, giving of themselves in many ways and being prepared to go the extra mile! (literally for some!)
- Contact which is beginning to be formed with parents of the children.

PLEASE PRAY FOR:

- Increased impact in the lives of the children and families we work with.
- For the love of Jesus to be evident in all that we do
- For continued impact on the staff of the school we are in – that we may be light and love to them too.
- For at least one family to start to connect with King's.
- For clarity and wisdom on the possibility of setting a parenting programme linked with the families we are working with.
- Protection for the team and for our conversations to be always “full of grace, seasoned with salt so that we may know how to answer everyone.”

EXCITING NEWS...

We are excited that we have just got the go ahead to launch another early intervention programme in a different Lewisham primary school.

A new team of coaches have recently completed their training in order to be ready to start.

PLEASE PRAY FOR:

- A really good start to this new project
- Excellent relationships to be established between the school and the co-ordinator and coaches
- For Delaunie who is co-ordinating this new project.
- For children to be well matched with the team of coaches.

Again, thanks so much for all your encouragement and prayers – we know that all that we do will not bear lasting fruit unless it is of the Lord.

Once again – thanks so much for partnering with us! The TLG team
