INVESTING IN OUR FUTURE TOGETHER YEAR 2

“

A year ago, I wrote about the privilege of beginning to serve as Lead Pastor of King's and stepping into the next chapter of our story. Since then, I have been deeply grateful for the faith, generosity and commitment I have seen across our church.

This past year has reminded me again that King's is a church built through the faithfulness of many people over many years. I remain hugely thankful for the foundation laid by Steve and Deb Tibbert, and by so many others who have prayed, served and given sacrificially to help make King's what it is today.

It has also been encouraging to see God continuing to work among us. Across our four sites, people are meeting Jesus, growing as disciples, finding community and using their gifts to serve others. There is much to thank God for, while also recognising that there is still much more ahead of us.

As we enter the second year of our three-year pledge, our vision remains unchanged. We believe God has called us to reach more people with the good news of Jesus, bring restoration to individuals and communities, and resource churches in London, across the UK and beyond.

Thank you to everyone who has played their part over the past year. Your generosity is helping us build for the future and invest in the generations to come.

As we look ahead, I want to invite each of us to continue seeking God and considering the part He is asking us to play. I am full of faith for all that He will do among us in the years ahead.

Our Faith Target.

Last year, we began a three-year commitment to invest in the future of King's. Our original faith target for the 3-year pledge was:

- **£3.1 million in Sept 2025 – Aug 2026**
- **£3.2 million in Sept 2026 – Aug 2027**
- **£3.3 million in Sept 2027 – Aug 2028**

Through people's faithful generosity, we have made a remarkable start and are now expecting our first year's giving to reach **£3.3 million**. This is such an encouraging sign that as we look to the remaining two years of the pledge, we have faith to believe for even more. Therefore the faith target for the next 2 years of the campaign is:

- **£3.4 million in Sept 2026 – Aug 2027**
- **£3.5 million in Sept 2027 – Aug 2028**

This is the equivalent of an additional £2.1 million over the 3 years and will enable us to do even more.

This now enables us to:

- **Accelerate** our debt clearance and clear our outstanding building debt of £560,000 by the end of the second year, even earlier than planned, saving approximately £300,000 in interest.
- **Further expand** our next generation team and invest in **staffing capacity** from September 2027, as we respond to continual growth.

- **Refurbish the toilets** at both our Lee and Downham sites which is now being planned for the third year, by August 2028.
- Improve our **venue hire for Beckenham**.
- Increase our support for **Newfrontiers**.

So far we have:

- **Cleared an additional £300,000** of our building debt saving approximately £165,000 of interest.
- Invested in staffing capacity at Catford and Downham with **two new Pastoral Assistants**.
- Increased our annual **support for Newfrontiers** by £25,000.

How can I play my part?

As we begin the second year of our pledge, we are asking everyone that calls King's home to prayerfully consider two things:

- 1. Review your giving** – No matter how small or large our gifts are, each of us can play our part. The next page shows the different steps you could take towards **Investing in Our Future Together**.
- 2. Bring a Gift** – Prayerfully consider whether you can bring an additional one-off gift during our Gift Days in October 2026 and May 2027.

ANNUAL GIVING REVIEW

We recognise that your personal circumstances will affect how you are able to give. If this is a difficult time for you financially, please don't feel under any obligation – we believe you should only give out of what you have. Feel free to ask for prayer on a Sunday or in your group, or to talk to a leader if you are struggling financially or with debt.

We are extremely grateful for the ongoing, generous giving from so many who call King's home. Please prayerfully review your giving and consider your next step.

Giving at King's.

At King's we teach the biblical principle of stewardship. We believe that everything we have belongs to God and we are stewards of what He has given us. It is with this in mind that we encourage people who call King's their home to give regularly and generously in proportion to their income.

There are several ways to give, but the most helpful way is to set up a Standing Order towards King's and/or Vision 2030.

Giving to King's

This covers all our day-to-day ministries and running costs. It includes all our work with children and young people, running Sundays, developing disciples, and all our worship, outreach and pastoral care.

Giving to Vision 2030

This enables us to extend further, see new sites launched, reach more people, launch many projects to impact our community and be a resource to other churches.

FAQs

1.

Where should my giving go?

In order to reach our faith target of £3.4m and £3.5m over the next 2 years, you can either start to give or increase your existing giving to King's and/or Vision 2030.

2.

Will any pastoral staff know what I am giving?

It is our intention for none of the pastoral staff to know what you give. Our finance staff team are solely responsible for counting, processing gifts and keeping records.

3.

What if my financial situation changes?

We understand that circumstances can change, whether for better or worse. Therefore, you can adjust your giving at any time.

4.

How often will we have Gift Days over the next 2 years?

We will continue to take a weekly offering at our Sunday services. In addition, we will hold Gift Days each year in October and May, as moments for giving one-off gifts.

5.

Can I get involved after the October Gift Days?

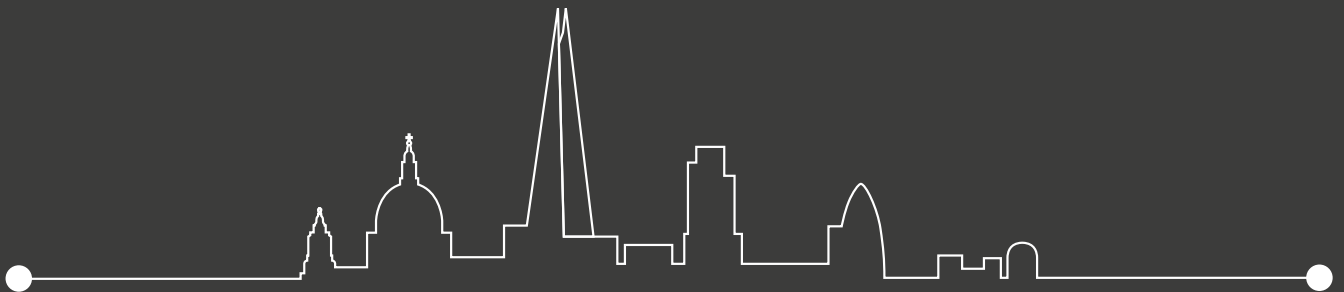

Yes. The October 2026 Gift Days are the start of the second year of the 3-year campaign of 'Investing in Our Future Together'. Anyone can step into giving at King's and play their part at any stage.
