

THE BOOK OF ACTS CONTAINS SOME OF THE MOST EXCITING EVENTS IN THE HISTORY OF THE CHURCH. A SMALL AND FRIGHTENED GROUP OF BELIEVERS HIDING AWAY IN A ROOM ARE TRANSFORMED INTO A DYNAMIC, WORLD-CHANGING CROWD.

The power of the Holy Spirit poured out in abundance on the day of Pentecost made all the difference. Suddenly the city of Jerusalem was filled with preaching about Jesus. The believers multiplied rapidly and met daily to pray, worship, hear the Word and share their possessions. The Church was birthed in the context of miracles but also persecution.

Modern churches often look back to that first church in Jerusalem and find inspiration for their own generation. That's what we hope to do over this eight-week series but we also expect to meet with the person of the Holy Spirit in a fresh way. Who knows what God will do for us when the Spirit comes! Our eight themes are all drawn from the first six chapters of Acts...
