

Hi there and welcome to our **FAMILY GOD TIME** info pack for this month.

### Sharing our faith

Most of us as parents and carers want to teach our children about Jesus and share our faith with them. However, we can find the task daunting or just don't know where to start.

So, each month the Kids' Team at King's want to share some suggestions of simple weekly activities that you can do together as a family to help you get to know Jesus better. These activities will follow themes from the Sunday kids' sessions.

We have found setting aside a certain time each week to have a **FAMILY GOD TIME** really helpful and would encourage you to try and find a regular time that works for you.

We hope and pray that your family have a great time together learning about and experiencing the love of Jesus.

### Recommended Bibles

It's great for children to start reading the Bible at a young age there are loads of fabulous Bibles out there. Here are a few that we recommend:

**For children under 7** we would recommend **The Beginner's Bible** which is available online from various places. [Click here](#) for more info.

**For older children** the **NLT Inspire Bible for Girls** is brilliant which includes colouring in, and the **NLT Hands-On Bible** has also got loads of fun facts and activities inside.

#### To Pray

Everything that you care about is of interest to Jesus, so you can talk to Him about anything. Have a think and then talk to Him about it. You can do this in lots of ways:

- You can go for a walk and talk to Him.
- Draw a picture of what you would like to share with Him.
- Write it down or just say it now.

**There are no rules about talking to Jesus. Just know that He is interested because He cares about you and always will.**
