

King's Church Family Easter Treasure Hunt

This treasure hunt is a bit of fun for you and your family. You could do this with just your family or now that some restrictions have lifted you could arrange to do this with another family if you would like to.

The treasure hunt is in Beckenham Place Park, Beckenham Hill Road, Beckenham, BR3 5BS. It's a beautiful park and easy to get to by car or public transport.

You have to pay to park in the park and that it is likely to be rammed over the Easter weekend, so it might be best to look for alternative car parking on nearby streets.

What will you need?

If you want to take part, you will need the following:

- A pen or pencil
- A copy of this treasure hunt, either on paper or on your phone. If you're using your phone you will need to bring a piece of paper to write your answers on. The treasure hunt will work best if you look at it landscape on your phone.
- Lastly and most importantly, don't forget to bring some **treasure** – maybe a small easter egg/chocolate bar/some chocolate mini eggs – it's up to you!

At the end of the hunt the children will need to find somewhere to sit (there are plenty of logs around) and work out the phrase using the letters they have collected. This may be a bit tricky without adult help!

When they have finished it would be great if you could have some treasure to give them to celebrate their success!

Each clue is very easy as we have given you most of the word. However, if you want to make it more difficult, you don't need to give your child any of the word.

The hope is that you have a really lovely family time and enjoy celebrating Jesus, King of the World!

We would love to see some pictures of you and your family enjoying the treasure hunt. If you want to share a picture you can use the hashtag **#kingseastertreasurehunt** on social media.
