To Make

As we are running a different programme over the summer, these won't be used on Sunday. These are for you to make if you wish and please do send them to us to be shown in September when we start up our King's Kids at Home videos again. See below.

Resources: Anything to make a mountain with. Perhaps you could act out the story after you have made your mountain.

Remember to check out the Sunday activities for the link to the online content.

Changes over the summer

Over the summer we will be running things a little differently. We will still provide midweek activities for you as well as for Sunday. The Sunday activities will be in the form of links to YouTube content that we recommend.

Over the summer we won't be showing the gallery but please do continue to send in any photos of craft and we will show them in September. Please send them to kids@kingschurchlondon.org. **Please remember we cannot show photos of children's faces.**
