Sunday Activities

To Learn

Interactive teaching will be available on the King's website – one for the 0-4s and one for the 5-9s. kingschurchlondon.org/kids-at-home/

To Pray

It is good to think about what we can do so that we can stand strong on the rock that is Jesus.

Listening to some God-songs each day helps you remember Jesus is your rock or reading your Bible together or learning truth such as the memory verse each week.

Have a chat together and then why not draw a picture of each of you standing on a huge rock and write down your prayer for this week on that picture. If you are unable to write it, ask someone to write it for you.

Then you can pray together and read out your prayers

To Play

Why not see if you can build a really, really tall tower. If you have toy bricks or Lego at home, you can use them or you can find something unusual to build with.

We'd love it if you can take a photo and send it to us: sarah.varley@kingschurchlondon.org.

Activities

Drawing

Ask the children to draw the two houses: one on the rock and the one that has fallen down on the sand.
