To Pray

We have been thinking about how to live a life that Jesus asks us to live.

Talk about what living God's way might be like. For younger children they might say something like being kind and sharing. Older children it might be comforting someone who is sad.

Prompt the children if they find it hard to think of things. Maybe you could talk about the fruit of the Spirit in Galatians 5.

Ask God to help you live a life like He wants. Why not go round and pray for each other. Don't forget to practice the memory verse together.

Changes over the summer

As we are doing things a little differently over the summer the gallery won't be up for a while but please do continue to send in any photos of craft and we will show them in September. Please send them to kids@kingschurchlondon.org. Please remember we cannot show photos of children's faces

Activity sheet

If you would like an activity for your child to complete, please see below. You can give this to your child to do during the Sunday service if you would like to.

Other ideas for older children –

Today we are thinking about how God wants us to live. Why not make a poster showing all the ways you and the people in your house could try and live a life following Jesus?

It might be something like:

- Remember to say please and thankyou
- Encourage each other
- Share
- Read our bibles
- Do church together?

Can you think of anymore?
