## To Pray

The story of Noah often gets us thinking about God's promises.

Ask the children if they know what a promise is? (When someone says they will do something, they mean it and it happens)

Ask them if they know any of God's promises for us?

- Is God's promise to give us as much chocolate cake as we like or is His promise to look after us?
- Is His promise to let us watch TV all day or it is to be our friend forever?

You can offer some other examples – there are some listed below.

Choose a promise that you really like and thank God for it and ask Him to help you remember it each day. You could choose one from the list below.

Pray together thanking God that we can always trust what He says.
