To Learn

Interactive teaching will be available on the King's website – just one video over the Summer months. kingschurchlondon.org/kids-at-home/

To Pray

Talk about light and dark. How do we feel in the dark? How do we feel in the light?

Jesus made the man in the story able to see. He could see with his eyes again and he was so happy. But Jesus, the Light of the world, also helped him to see the truth about God. When we follow God we are living in His light. He will guide us, just like a lighthouse guides boats.

Ask the children to share anything they might be worried or frightened about. Ask God to help them to trust Him and that He will be the light helping them, keeping them safe.

Maybe you could make a picture of a bright light using yellow and orange colours. Around the light write or draw all the worries and ask God to shine His light so that you don't feel worried or frightened anymore.

The Rend Collective wrote the song *My Lighthouse*. They have recently written a book about a lighthouse for children. During lock down they did a live telling of the story on YouTube. Here's a copy of it: youtu.be/3OcJT_Jx_3Y.

To Play

Have lots of different items on a black tray with different textures. Blindfold each person, one at a time, and talk with the children about what the items feel like. Can they guess what the items are without looking at them?
