

# Hold my gaze - D

Luke Catley

## Verse 1

G                    A            Bm7  
One day we will see your face  
G                    A            D  
As we stand before your throne  
Bm7                    A/C#        D            D/F#    G  
On that day we'll see you then and ever more  
G                    A            D  
One day you will call us home

## Chorus

G    A    Bm7  
Hold my gaze  
G                    A  
Lead me to the narrow gate  
Bm7                    D/F#  
Down the road where you await  
G    A    Bm7    D/F#  
Let me know  
G                    A            D  
One day we will be at home

## Verse 2

Rags of sin will be replaced  
With your splendour now our own  
Robes of righteousness held fast by chords of grace  
One day you will call us home

## Verse 3

In your presence fears will fade  
No more tears and no more pain  
Held forever close by hands that bear our scars  
One day you will call us home

## Verse 4

When we stand with all the saints  
Holy joy will overflow  
And forever more we'll sing eternal praise  
One day you will call us home
